Dear Sir/Madam

REF: APPRECIATION

I am very grateful for WATOTO KENYA for your coordination and support for our pupils at GANDINI PRIMARY SCHOOL. You have been in the forefront to support GANDINI PRIMARY ECDE with Porridge Every financial year. You have also been supporting the ECDE with teaching and learning resources. This is enough to say a big thank you.

On the other hand, I want to appreciate you for providing and supporting LUNCH PROGRAMME every year at GANDINI PRIMARY for all learners. This programme has enabled the less fortunate learners to feel accommodated and develop more interest in academics. As it stands today, GANDINI PRIMARY SCHOOL is one of the most performing schools in my ZONE in the NATIONAL EXAMINATIONS both KCPE and KPSEA as compared to other schools.

I want to request your office to extent your support further to GANDINI PRIMARY to promote and develop the future of the young heroes. Thank you and God bless you.

Yours faithfully

JULIUS KAHINDI
